COVID-19 GUIDELINES AT DISCOVERY SPOTLIGHT EXPO

As always, our first and foremost concern is the safety and well-being of all our attendees, family members, scouts, and staff. We are taking proactive and preventative measures to protect against exposure to COVID-19 at our event. By entering Discovery Spotlight National Expo, you agree to the following: any person entering the premises waives all civil liability against this premises owner and operator for any injuries caused by the inherent risk associated with contracting COVID-19 at public gatherings, except for gross negligence, willful and wanton misconduct, reckless infliction of harm, or intentional infliction of harm, by the individual or entity of the premises.

- All staff, scouts, models/talent, and observers ages two and up, will be required to wear a mask/face covering. (Models/talent will not be required to wear a mask on stage). Careful consideration for scheduling will be done to reduce the number of attendees over the full 4 days of the event. Seating will be modified by blocking off seats or rows within a section to accommodate social distancing of at least 6 feet between individuals from different households. There will be frequent disinfection of the stage, backstage area, seating areas, and common areas. Microphones will be sanitized between contestants. No scoring deductions will be given for any costume modifications that include any Personal Protective Equipment or choreography to accommodate social distancing. We will attempt to have as many floor markers and tape lines as we can to keep traffic flow and ample space around the facility.
- The Hilton has stringent safety protocols in place and is operating under all guidelines required by the Department of Health and Hilton's Higher Standard Event Ready with CleanStay. This includes increased sanitation of public surfaces throughout the facilities. Complimentary Discovery Spotlight hand sanitizers will be supplied to contestants as available.
- All Discovery Spotlight employees will be screened and evaluated prior to working. DISCOVERY SPOTLIGHT Staff will use an infrared thermometer to take temperatures of attendees once a day. A sticker will be given to each person that is in the correct range. Each day will have a different color sticker to be worn on your contestant badge or wristband. Anyone who is running a fever, or who has been ill within the last 72 hours, should not attend and should contact us about transferring to a later event.
- The photography competition will not be done in-person, but 2 images will be shared digitally and projected on the big screen in the ballroom with contestants' names and numbers. The awards ceremony will be scheduled for finalists only. Contestants receiving awards will be posted by their numbers prior to the awards ceremony. Only contestants (and their guests) who are declared finalists will attend the awards ceremony. The contestant after party has been eliminated to avoid a large gathering and to reduce direct food handling.
- Hand sanitizing pumps and stations will be located throughout the hotel. Guests are strongly encouraged to use these frequently, particularly before eating or drinking. Water stations will not be available in the ballroom, so please bring your own bottled water.
